

Cedar Park High School PTSA

November 7, 2016

Cedar Park Friends and Family,

I would like to express my sincere appreciation for our dedicated parents, teachers, and students who partner together to support Cedar Park High School. The PTSA has been in place for only one year but is already making a big difference. Our teachers and staff feel the support and embrace the opportunity to work more closely with parents. The CPHS PTSA is unique in that we have students and parents serving together in leadership positions. As with all efforts at CPHS, students are at the forefront. I would like to thank all of those who have supported the PTSA by becoming members. All money raised by the PTSA will go directly back into the school. There are various projects the PTSA is proposing to help CPHS continue to set the standard for student engagement and community involvement. You can help by getting involved! Thank you again to all who serve and support our PTSA.

Sincerely,
John Sloan
CPHS Principal
